

ÜNLÜ & Co Crowns Its 30th Anniversary with Four New Awards

ÜNLÜ & Co has once again reaffirmed its leading position in mergers and acquisitions advisory on an international scale, having been recognized in four different categories at EMEA Finance’s 2025 Achievement Awards. Celebrating its 30th anniversary this year, ÜNLÜ & Co was named the Best M&A House in Central and Eastern Europe, while three transactions it advised on were also recognized with awards.

At the 2025 Achievement Awards organized by EMEA Finance, one of the well-established publications in international finance, ÜNLÜ & Co received the title of “Best M&A House in Central and Eastern Europe” for its deep expertise in mergers and acquisitions advisory, experience across different sectors and tangible value created on an international scale. With this award, ÜNLÜ & Co has once again confirmed its leadership in this field on an international platform.

As part of the awards program, three transactions advised by ÜNLÜ & Co were recognized among the most successful mergers and acquisitions transactions of the year:

Arkoz Madencilik’s acquisition of Kars Çimento

Mid-Market M&A Deal of the Year in Europe

Türk Tuborg’s acquisition of Antalya Alkollü İçecek

The sale of a strategic stake in Burgeon Biotechnology to VIVACY

2026 has been a year of successive achievements from EMEA Finance for ÜNLÜ & Co. Following the five awards received in February as part of the EMEA Finance Europe Banking Awards, these four new awards bring the Company’s total number of international awards from the same prestigious platform to nine within the year.
